Floating devices for non-swimmers and beach balls are provided.

The party host is welcome to bring any additional pool toys for the guests enjoyment. Party parents are welcome in the pool to interact with children.

Since we must limit the numbers in the pool to a safe ratio, only the invited children will be allowed to swim. Siblings will not be allowed unless counted in the party count. Guests who lack the ability to swim may require an adult to assist them in the pool. All other parents will be asked to watch from the pool deck.

See website for details on inclement weather options.
