Parents: Please complete, sign and return in the self addressed envelope by June 1st.

From the parent of \_\_\_\_\_

Is this your child's first camp experience?	Yes	No
Has your child attended a preschool program?	Yes	No
Has your child attended a daycare program?	Yes	No

What tips can we use to encourage, help, protect and care for your child?

All campers are required to be potty trained. This can be a challenge when having fun at camp. We will offer frequent bathroom breaks. Are there any words/cues we should be aware of if your child has to go or use to encourage them to "try" when we are all taking a trip to the bathroom.

What comforts your child when they are hurt or anxious about something?

Since registration are there any changes to medical issues and or behavioral issues that you feel we should be aware of?

Share with us information about your child's swim experience. Do they enjoy the water, getting their face wet, have they had swim lessons, does swimming make them uncomfortable?

Are there any concerns you have about camp swim lessons?

At camp this summer, my goal(s) for my child are:

Anything we have not asked that you would like us to know to best care for your child?
