

AN OPEN LETTER TO OUR PARENTS FROM OUR CAMP STAFF

Dear Parents,

Thank you for trusting us with your child. We know that you have handed us your whole world and your trust along with it. We want you to know that we are dedicated to making your child's time here at Action Kids Summer Camp as safe as possible and the best part of their summer! We're here because we LOVE camp! We train for camp. We work for it. We're exhausted by it. We're energized by it. We want you to know that we are here because there is no other place we would rather be this summer, than with your children...with all of their gifts and unique qualities, quirks and challenges.

Please be sure to take a moment to tell us about your child using the *Tell Us About Your Camper* form and assist your child to fill out their *Letter to My Counselor*. Our staff reads over each of these informative sheets! Please share any and all tips that we might use to encourage and help your child to have a great day.... EVERY DAY! Tell us what your child needs, tell us about their likes and dislikes, what makes them smile and what challenges them. We want to make a difference for your children who become our children for a short while. We know your children are amazing!

Best,

The Action Kids Summer Camp Staff of 2021
